Tailored linen coat suits at \$11.50

None better can be had anywhere at \$15 to \$20

IN EVERY way—style, tailoring, quality of material, and desirability in every particular they are equal to those generally sold at \$15 to \$20. We've never had better regularly priced at \$15. They were made to sell at \$15 to \$20. We got them low enough to sell at \$11.50, just because of the cold weather and consequent lack of orders going in to the makers, and our ability to use big lots. We took every suit already made up and contracted for several hundred more to be made from material already cut up. That's the plain, simple, truthful explanation of why we can give you at \$11.50 linen coat suits that cannot be duplicated elsewhere in this country at \$15 to \$20. THE SUITS are made in plain mannish cut styles with embroidered collar of the material and cuffs or with Gobelin, blue, or Chantecrel red Linen for collar and cuffs. Some are perfectly plain and without trimming—just like a man's coat. The linens are in plain natural tan shades. Have also a number in genuine French Ramie in this lot.
